Recommended Park Plan
City of Muskego Parks and Conservation Plan
Park Arthur: Baseball fields. Possible shift of amenities to other locations and sale of west half of park, if desired.
Schmidt Park: Re-pave asphalt basketball courts thru road paving program.
Kurth Park: Grade and seed southern section of park for athletic use, once need is identified.
Jensen Park: Research building life and efficiences for meeting future community needs.
Idle Isle Park: Expand beach area.
Moorland Park: Landscaping, playground, sand volleyball court, shelter. Possible shift of amenities to other locations and sale of park, if desired.
Lions Park: Re-pave asphalt basketball courts thru road paving program.
Proposed Lakefront Park: Community Green for community events. Beach, sand volleyball courts, ice skating, restrooms, pavilion, and band shelter. Recreation trails and linkage.
Old Muskego Settlement Center: Site landscaping.
Horn Park: Replace existing roof. Research building life and efficiency.
School District Land: Possible partnership with MNSD for baseball, soccer, and football fields via lease or purchase.
Lake Denoon School District Land: Possible partnership with MNSD for baseball, soccer, and football fields via lease or purchase.
Proposed Park: Facilities could include basketball and tennis courts, soccer and baseball/softball fields. Restrooms and pavilion. Recreation trails and linkage.
Denoon Park: Investigate possible effect of removing basketball court on the public use of this facility.
