RECYCLING & REFUSE Collection & Drop-off Information

Refuse Carts are Arriving Soon!

The City of Muskego has entered into an agreement with Advanced Disposal to begin automated refuse collection services in 2016. The decision to begin automated collection is based on research that indicates automated collection is easier for residents, reduces litter scattered by wind or animals, allows for increased worker safety, and allows for more efficient collection of refuse. Visit the City's website for more information.

New Recycling Partnership!

We are excited to announce that the City of Muskego and Waukesha County have partnered to provide a more efficient recycling system to residents. Credit Card Refund Policy

Your credit card security is important to us. The department is PCI Level 1 compliant. As soon as a transaction is processed, the credit card numbers are truncated. This gives us the most restrictive security for handling our credit card transactions. Anyone paying by credit card and cancelling out of a class or having their class cancelled, that amount will be placed on credit with our department for future use unless otherwise requested. If a refund is requested to be placed on the credit card, you will need to call the department and ask for the refund to be processed. All other refund/cancellation policies are still in effect.

Program Excellence

The Muskego Parks and Recreation Department works with a variety of individuals and agencies to ensure that recreation programs and services are available and accessible to all persons. Please contact us to let us know how we can make your recreational experience a safe, successful, and enjoyable one.

Fees and Charges

The policy of the department is that those who participate should help defray the overall costs of that activity. Fees and charges are therefore assessed according to the needs of the programs such as extra leadership, skilled instructors and special equipment.

SPECIAL NOTE: The department, however, does not want to exclude any adult or child who is unable to pay these fees due to unemployment, illness, or other unfortunate situations that might occur. The family unable to pay all or part of the charges for the above reasons, should contact the department office prior to registration.

Refund Policy

Once you have registered for a program, you are responsible for payment whether you attend or not. **ALL REGISTRATIONS** are final with these exceptions only:

1. A program is cancelled by the Parks and Recreation Department prior to its scheduled starting date. No fee assessed for this type of cancellation.
2. Prior to the start of the program and **three** full working days' notice is given to the Parks and Recreation Department. A \$4.00 cancellation charge will be assessed for this type of cancellation.
3. A refund will be given during the duration of the program only if a conflict, injury or illness arises. The \$4.00 cancellation charge as well as a pro-ration of the class fee for each class held will be deducted from the remaining refund.

**Some charges and cancellation dates may vary with special noted classes. There are no refunds for programs that have a registration deadline date listed.

Please see **page 6** for Credit Card Refund Policy.

Class T-shirts

Participants who register less than 5 days before a class starts that includes a T-shirt may not be guaranteed a class T-shirt. The Parks and Recreation Department will make every effort to try to secure a T-shirt, but sometimes shirts are not in stock when placing the second order or the cost for making one T-shirt prohibits the department from ordering. Thank you for your understanding.

Non-resident Policy

Fees charged for programs will be 50% more (to the nearest half dollar) than the resident rate for those wishing to participate in Muskego recreation programs (unless otherwise stated).

Non-residents may pay the resident fee only in the following situation:

1. Those non-residents residing within the Muskego/Norway School District.
2. If it is a community cooperative program, however you must register with the community you reside in, in order to receive the resident rate.

No matter what size, shape and ability level, this exciting, efficient and effective program provides the opportunity to improve overall fitness, increase muscle endurance, burn fat, while developing self-confidence in a fun, relaxed, and non-competitive environment. The use of various pieces of equipment (medicine balls, stability balls, dumbbells, sand bags, rubber tubing, balance equipment, etc.) and training methodologies allow unparalleled application and diversity. Ballroom Dance Workshops for Adults

This is a collaborative program with Franklin and Oak Creek.

Grab your dancing partner and get ready to have some fun while learning new dances or brushing up on the ones that you already know. Dancing is a great exercise and a stress reliever. Come join Eric and Vanessa as they show you how to maneuver your way around the dance floor.

INSTRUCTOR: Eric Guy Eric Guy began his ballroom dance experience looking to lose weight. He's been dancing for three and a half years and taken off over 140 pounds while dancing. Eric is especially fond of the dramatic nature of tango, the romantic sway of the rumba and the beautiful bolero.

Eric takes his craft very seriously. He has already passed his certification exam in American Ballroom through the United States Imperial Society of Teacher of Dancing and is working on his American Rhythm certification. When Eric isn't dancing or teaching dance, he loves to read and play computer games.

INSTRUCTOR: Vanessa Arboleda Vanessa Arboleda was born and raised in Quito, Ecuador and moved to Wisconsin with her family in her early teens. She has been dancing "street" Latin ever since she can remember, but became exposed to formal dance at the age of 18. During the day she works as a certified veterinary technician. She has a strong passion for animal welfare, which has led her to focus on the veterinary path and community involvement. However, her love for dancing has never ceased and she hopes to always let that love shine through and share it with others as much as possible.

Location: Country Dale Elementary School, Multi-Purpose Room 7380 North Cape Road, Franklin

Muskego Historical Society

The business and purpose of the Muskego Historical Society is the discovery, collection, preservation and publication of historical records and data of and relating to Muskego, the surrounding area and the State of Wisconsin. A special emphasis is placed on preserving Muskego's agricultural heritage with the maintenance of an extensive farm museum. Several other buildings, both authentic and reproductions, also capture the essence of every day life in early Muskego.

The buildings and the surrounding property is referred to as the Muskego Settlement Centre. Several events throughout the year are planned to bring history alive to our community. Agricultural demonstrations during Muskego festival days in August, Ghost Walk Days in October and Country Christmas in November are some of the events that have been planned by your Muskego Historical Society.

The Muskego Historical Society is open to all people who have an interest in preserving Muskego and the surrounding area's past. Both members and volunteers are needed to help with activities, preserve and maintain buildings and showcase the artifacts they contain. Meetings are held on the third Wednesday of every month at 6:30 p.m. at the Old Town Hall. We are located on Racine Avenue next to the Muskego Police Department. Membership dues are nominal.
