### Credit Card Refund Policy

Your credit card security is important to us. The department has become PCI Level 1 compliant. As soon as a transaction is processed, the credit card numbers are truncated. This gives us the most restrictive security for handling your credit card transactions. Anyone paying by credit card and cancelling out of a class or having their class cancelled, that amount will be placed on credit with our department for future use unless otherwise requested. If a refund is requested to be placed on the credit card, you will need to call the department and ask for the refund to be processed. All other refund/cancellation policies are still in effect.

## When To Register

### REGISTRATION DATES

**RESIDENTS** (residing within the Muskego/Norway School District) may drop off, counter, mail in, register over the Internet or do a phone registration by credit card (Master Card or Visa) starting **August 17**. Registration is ongoing through the start of the program.

**NON-RESIDENTS** registration will be accepted starting **August 31** and will be ongoing until classes begin or deadline for class.

## What if...

### The Program You Chose is Filled?

You will be notified and given your second time choice.

### Both Of Your Choices Are Filled?

You will be notified & you may choose to be put on a waiting list. The department will make every effort to accommodate those on waiting lists (adding classes, etc.) If additional class openings become available, we will then go to the waiting list to fill the class. Once you have been notified that the department can place you in a class, a date will be given to you as to when the class fee must be paid. If payment is not received by the requested date, the opening will be offered to another person on the waiting list.

\*\*Some charges and cancellation dates may vary with special noted classes. There are no refunds for programs that have a registration deadline date listed.

Please see page 7 for Credit Card Refund Policy.

## Fall Back into Routine with Hatha Yoga!

**(Ages 13-Adult, Co-ed)**

Yoga for beginners & advanced beginners.

Yoga literally means to yoke or bind mind, body and spirit. Hatha yoga welcomes all levels of practitioners, first-timers to life-timers. In yoga, we are always beginners. Each time we come to our mats, we begin again. You've heard by now that sitting is the new smoking. Yoga is a wonderful way to counter sitting by lengthening and strengthening muscles and bones. Pranayama, yogic breathing, helps calm and focus the mind. The practice concludes with savasana or corpse pose, time to refresh with stillness for five minutes. We cue, assist and adjust if you allow. Bring a mat, strap and block if you have them. Best not to eat one hour before class. Welcoming beginners and advanced beginners 13 years of age or older. No previous experience required.

As a not-for-profit organization, we partner with the community to hold several fundraisers throughout the year. Donations are always welcome and Memorials are often designated to the Taxi Program which make a great impact in securing the future of this service in the community. ## Muskego Historical Society

The business and purpose of the Muskego Historical Society is the discovery, collection, preservation and publication of historical records and data of and relating to Muskego, the surrounding area and the State of Wisconsin. A special emphasis is placed on preserving Muskego's agricultural heritage with the maintenance of an extensive farm museum. Several other buildings, both authentic and reproductions, also capture the essence of every day life in early Muskego.
