In the event of the death or resignation or refusal to act of any of the members of the "Architectural Control Committee" while any unimproved lot remains unsold by the undersigned or its successors or assigns, then their respective successors to the committee shall be appointed in writing by the undersigned or its successors or assignees. When all the unimproved lots in the Subdivision have been sold by the undersigned, or its successors or assignees, the Architectural Control Committee shall thereafter cease to exist and the power granted to the Architectural Control Committee shall expire.

14. Any violation of these restrictions which shall exist for a period of one year without a written protest thereof being received by the owner of the lot involved shall be considered a violation thereafter. These restrictions may be changed, modified and amended at any time by written declaration, executed so as to permit the recording thereof in the office of the Register of Deeds, setting forth such change, modification or amendments, signed by the owners of at least sixty percent of the lots subject to these restrictions, and by the DEVELOPER, so long as it shall won any such lot, said declaration shall be executed as required by law so as to entitle it to be recorded and it shall be recorded in the office of the Register of Deeds, Waukesha County, Wisconsin, before it shall be effective. These restrictions shall be deemed and construed to run with the land and shall be binding upon the respective owners of each of the lots and upon all persons holding or claiming under or through them. Upon the violation of any one or all of these restrictions by any owner or owners of any said lot, their heirs, executors, administrators

or assigns, or by any persons holding under them, then, and upon the happening thereof, any person or persons owning any lot or lots shall have the right to proceed at law or in equity against the person or persons violating or attempting to violate any such covenant or restriction, and shall be entitled to both equitable and legal relief.

15. Developer reserves the right for a period of six months after the execution hereof, to grant easements as detailed in paragraph 10, to Wisconsin Electric Power Company and Wisconsin Bell, Inc., for utility purposes over, upon, under or across ALL lots in this subdivision, whether owned by the developer or third parties. Such easements shall be granted on standard utility forms.

16. Invalidation of any one of these covenants and restrictions by judgment or court order shall in no wise affect any of the other provisions, each of which shall be construed and deemed severable and all of which are not so invalidated shall remain in full force and effect.
