NEW Registration Software - eCity Electronic Payments

Starting with the Winter/Spring session, we will be utilizing a new registration software. This software is the same software you would use to pay Muskego utility bills, property taxes, citations, dog license and more. If you currently have an account set up to do these transactions, you won't need to do much more. However, if you have never paid for a city service before online, you will need to quickly set-up your new account. You no longer have to call into the recreation office to set-up your account.

First step is to go to the city's website at www.cityofmuskego.org and then click on the picture on the left side of the page of a boy and girl to take you to the online recreation registration page.

Once you are on that registration site, you will be able to search through all of the programs offered in our current guide. Once you have found the class you would like to register for, you click on the green plus on the right side of the program information to take you to the account page.

Once you have clicked on the green button you will be taken to a new page where you can create a new profile (account) or log-in with your information if you have set up an account to pay city utility bills. **The information from your OLD parks and recreation account (EzRecReg) will not work in this new software.** Every family will need to have a new account set-up through this new software. You will then enter in all your family information, including address, phone number, dates of birth, etc. You can add all your family members to your account at that time. Once the new profile is set-up you can register for any program you like.

After you have signed up for everything you want, you will be able to select check out and then pay for your programs using either a Visa, Master Card, Discover or American Express card. Once you have clicked on all the pages following the payment, you will receive an email confirmation of your registration to the email address you provided for your account.

Of course, you are also welcome to stop by our office in Muskego City Hall to set up your account with us or to register with us using cash, check or credit cards in the office. We will also still be doing phone registrations as well and can assist you in setting up your account over the phone.

We hope you will find this new software easy to use and will appreciate the emailed confirmation and program reminders. If you have any questions, please feel free to give us a call at 262-679-4108 during our normal business hours of 8:00 a.m. to 4:30 p.m., Monday through Friday.

Credit Card Refund Policy

Your credit card security is important to us. The department is PCI Level 1 compliant. As soon as a transaction is processed, the credit card numbers are truncated. This gives us the most restrictive security for handling our credit card transactions. Anyone paying by credit card and cancelling out of a class or having their class cancelled, that amount will be placed on credit with our department for future use unless otherwise requested. If a refund is requested to be placed on the credit card, you will need to call the department and ask for the refund to be processed. All other refund/cancellation policies are still in effect.

When To Register

REGISTRATION DATES

RESIDENTS (residing within the Muskego/Norway School District) may drop off, counter, mail in, register over the Internet or do a phone registration by credit card (Master Card or Visa) starting **November 14**. Registration is ongoing through the start of the program.

Program Excellence

The Muskego Recreation Department works with a variety of individuals and agencies to ensure that recreation programs and services are available and accessible to all persons. Please contact us to let us know how we can make your recreational experience a safe, successful, and enjoyable one.

Fees and Charges

The policy of the department is that those who participate should help defray the overall costs of that activity. Fees and charges are therefore assessed according to the needs of the programs such as extra leadership, skilled instructors and special equipment.

SPECIAL NOTE: The department, however, does not want to exclude any adult or child who is unable to pay these fees due to unemployment, illness, or other unfortunate situations that might occur. The family unable to pay all or part of the charges for the above reasons, should contact the department office prior to registration.

Refund Policy

Once you have registered for a program, you are responsible for payment whether you attend or not. **ALL REGISTRATIONS** are final with these exceptions only:

1. A program is cancelled by the Recreation Department prior to its scheduled starting date. No fee assessed for this type of cancellation.
2. Prior to the start of the program and **three** full working days' notice is given to the Recreation Department. A \$4.00 cancellation charge will be assessed for this type of cancellation.
3. A refund will be given during the duration of the program only if a conflict, injury or illness arises. The \$4.00 cancellation charge as well as a pro-ration of the class fee for each class held will be deducted from the remaining refund.

**Some charges and cancellation dates may vary with special noted classes. There are no refunds for programs that have a registration deadline date listed.

Please see page 4 for Credit Card Refund Policy.

Class T-shirts

Participants who register less than 5 days before a class starts that includes a T-shirt may not be guaranteed a class T-shirt. The Recreation Department will make every effort to try to secure a T-shirt, but sometimes shirts are not in stock when placing the second order or the cost for making one T-shirt prohibits the department from ordering. Thank you for your understanding.

REMINDER!

The Recreation Department has a limited amount of program brochures available for public distribution. Please remember to hang on to your book, you may want to look at it again!
Thank You!

Non-resident Policy

Non-residents may pay the resident fee only in the following situation:

1. Those non-residents residing within the Muskego/Norway School District.
2. If it is a community cooperative program, however you must register with the community you reside in, in order to receive the resident rate.

2. If you have not been informed through the information hotline or contacted by the Recreation Department, assume your activity has not been cancelled.
3. If poor weather conditions develop within 1-1/2 hours of the activity/event, report to the site if in doubt. Remember, all sites are unique and activities may be conducted or modified.
4. Once at a program site, decisions concerning the cancellation or discontinuation of the activity will be in the judgement of the site supervisor or instructor.

***There may be times when classes may be cancelled due to weather, facility shut down, etc. Every attempt will be made to reschedule a cancelled activity and participants will be notified. However, if we are unable to make up the class, there will be no refund arranged in this case.**

Lesson Observation

The purposes of these classes is to help your child have a fun opportunity with their peers. Parents are welcome to observe on the first and the last day only unless a special observation day is set up. Total concentration on the part of your child is crucial. For the best instructional atmosphere, health and safety of your child, observation of other class sessions is not permitted. Please feel free to discuss your child's progress before and after class with the instructor.

Minimum/Maximum

Recreation Information Line (262-679-5645)

At your convenience 24 hours a day, information regarding class cancellations, program updates, weather decisions and more. A decision regarding evening programs will be made at approximately 4:00 p.m. In the event of school closings, all evening activities scheduled at a school site will automatically be cancelled.

Age/Grade Appropriate

For all programs, age/grade requirements will be as of the first day of the program, unless otherwise specified. These requirements are set to make instruction more consistent, and in most cases to insure safety, enjoyment and accomplishment.

Fair Share Policy

The Parks and Recreation Board has adopted a fair-share policy of nonresident user fees for recreation programs. The City of Muskego resident and Muskego/Norway School District resident contributes financially to the operation of the Parks/Recreation Departments via property taxes and school taxes. The fair-share concept is intended to apportion part of the overall financing of the Parks/Recreation Departments to nonresident participants on an equitable basis with the resident. The non-resident fee for each program is printed along with the resident fee throughout the program guide.

Sales Tax

Programs (non-instructional) and admissions include State of Wisconsin, Waukesha County Stadium Tax sales tax.

Waiting List Procedure

Waiting lists are a source of contact and do not guarantee you'll receive a call back. You'll receive a call back only if space becomes available. If you ask to add your name to a waiting list for a closed class, it:

- provides us with a name and phone number in the event of a cancellation;
- supplies us with names and phone numbers in case a new class is added;
- does not limit you from registering for any other open class.

MAJK Dance and Gymnastics was thus opened, and continues to offer dance and gymnastic training by adult, certified teachers, in a safe and non-competitive environment. MAJK Dance and Gymnastics has the only padded "floating dance floor" in the area as well as a fully equipped padded, carpeted gym. Food in Books & Movies...Knock-off recipes from Bubba Gump Shrimp Co.

Forrest Gump is a 1986 novel by Winston Groom. The title character retells adventures ranging from shrimp boating and ping pong championships, to thinking about his childhood love, as he bumbles his way through American history, with everything from the Vietnam War to college football becoming part of the story. Released as a movie in 1994 starring Tom Hanks.

"Anyway, like I was sayin', shrimp is the fruit of the sea. You can barbecue it, boil it, broil it, bake it, saute it. There's shrimp-kabobs, shrimp creole, shrimp gumbo. Pan fried, deep fried, stir-fried. There's pineapple shrimp, lemon shrimp, coconut shrimp, pepper shrimp, shrimp soup, shrimp stew, shrimp salad, shrimp and potatoes, shrimp burger, shrimp sandwich. That, that's about it." – Bubba
You'll sample...

- Shrimpin' Dippin' Broth with Baguettes

Asparagus

Asparagus is a harbinger of spring but is now available nearly year round. This vegetable delicacy has a flavor like no other; if I had to describe it, I would say that it tastes slightly like broccoli and celery with a little artichoke-y flavor, too. Asparagus is actually the sweet, tender, early shoot of a plant in the lily family. Tonight I will make several recipes featuring asparagus that will "wow" family and friends. You'll sample...

- Prosciutto wrapped Asparagus with Hollandaise
- Crust-less Asparagus Quiche
- Cream of Asparagus Soup with lemon, parmesan & thyme
- Asparagus Risotto

Get the Junk Out

This is a collaborative program with Franklin.
(Adult)

Imagine waking up without an ache or pain, cruising through your day with energy and ending it by enjoying a refreshing night's sleep. Then, imagine waking up to do it all over again. Think it's impossible? Think again. The key is eliminating toxins from your body and your life. Toxins can leave you feeling sluggish, achy, heavy, and out-of-shape and can also be a factor in the development of chronic diseases. Purification or detoxification helps remove toxins from your body. Benefits of cleaning your body out include clear, unfoggy minds, decrease in body pains, decreased inflammation, decreased sugar cravings AND increased energy as well as achieving and maintaining a healthy weight. In this class we will discuss perceptions of detoxification, what type of detox is right for you, and how to eat for success. This is especially important as after the holidays!!!

The business and purpose of the Muskego Historical Society is the discovery, collection, preservation and publication of historical records and data of and relating to Muskego, the surrounding area and the State of Wisconsin. A special emphasis is placed on preserving Muskego's agricultural heritage with the maintenance of an extensive farm museum. Several other buildings, both authentic and reproductions, also capture the essence of every day life in early Muskego.

The buildings and the surrounding property is referred to as the Muskego Settlement Centre. Several events throughout the year are planned to bring history alive to our community. Agricultural demonstrations during Muskego festival days in August, Ghost Walk Days in October, Country Christmas in November and the strategic placement of historical signs throughout the city celebrating Muskego's past are some of the events that have been planned by your Muskego Historical Society.

The Muskego Historical Society is open to all people who have an interest in preserving Muskego's and the surrounding area's past. Both members and volunteers are needed to help with activities, preserve and maintain buildings and showcase the artifacts they contain. Meetings are held on the third Wednesday of every month at 6:30 p.m. at the Old Town Hall. We are located on Racine Avenue next to the Muskego Police Department. Membership dues are nominal.
