The 2017 Operation Dry Water June 30-July 2, 2017

Operation Dry Water is a year-round boating under the influence awareness and enforcement campaign. The mission of ODW is to reduce the number of alcohol- and drug-related accidents and fatalities through increased recreational boater awareness and by fostering a stronger and more visible deterrent to alcohol use on the water. Operation Dry Water’s heightened awareness and enforcement three-day weekend takes place annually around July fourth, a holiday unfortunately known for drinking and boating, and deadly accidents.
