### **Vehicle Thefts**

The Muskego Police Department has investigated two vehicle thefts in the past few weeks. In both cases the keys were left in both vehicles on the east side of Muskego. Both vehicles were recovered in Milwaukee and returned to the owners. We suggest that you not keep your keys, or other valuables, in your vehicle.

### **Help Protect Yourself**

The Muskego Police Department recommends that you take photographs of your jewelry, electronics or any other item of value. During most of our investigations, homeowners do not have much information for us to assist in our investigation. Having photographs and accurate descriptions of these items greatly assist us when we locate items and try to determine the owner. Having this information will also assist in filing insurance claims. And remember to store the photographs somewhere other than your computer, which if stolen, will not assist in the investigation. Put them on a thumb drive or burn them to a CD and keep it somewhere safe away from the home.

Until next time, have a good week, stay alert and stay safe.
