

## CITY OF MUSKEGO POLICE DEPARTMENT NEIGHBORHOOD WATCH PROGRAM

January 11<sup>th</sup>, 2019 – January 17<sup>th</sup>, 2019

Get your shovels ready, Muskego!

- 01/11/2019; 9:40 a.m. – An 18 year old Milwaukee resident was cited for illegally passing a stopped school bus in the W14300 block of Cornell Drive. Please refer to our recent Facebook re-post pertaining to school bus passing rules and regulations.
- 01/11/2019; 2:41 p.m. – A 51 year old Muskego resident was arrested for disorderly conduct following a road rage incident that occurred in the S8100 block of Racine Ave. We always recommend music by Enya if your trigger is easily tripped while driving. On a more serious note, please let us handle all of your traffic complaints; it's safer, and although you might be feeling pretty invincible at the time, you never know who is in the other vehicle.
- 01/11/2019; 3:01 p.m. – a U/I complainant called to report a mysterious/suspicious person inquiring about scrap metal near a business located in the W18400 block of Gemini Drive. The metal mover offered to pay, however was denied and left in a blue, Dodge minivan. Recommendation: if you don't want people knocking on your door inquiring about your scrap metal or any other miscellaneous items destined for the dump/recycling plant, get rid of your scrap metal, kepeesh?
- 01/11/2019; 3:23 p.m. – A 21 year old Muskego resident responded to the department to report being harassed by a 56 year old Muskego resident regarding an underage drinking party. The older party was advised to desist contact with the younger party. Both parties were advised the dangers of hosting underage drinking parties. Whew! That was a lot of parties for one entry.
- 01/11/2019; 11:09 p.m. – A 59 year old Muskego resident was arrested for disorderly conduct in the W13300 block of Fennimore Ct., per the request of the West Allis Police Department as that is where the incident requiring arrest occurred.
- 01/11/2019; 11:58 p.m. – A U/I complainant called requesting officers respond to a recreational area in the S6600 block of Hardtke Drive in order to advise a group of individuals who were fishing too loudly (music and flashing lights). The individuals were advised of the noise complaint, park hours, and fishing techniques...specifically the habits of fish, who are easily scared by noises loud enough to draw the attention of neighbors. Best of luck!
- 01/12/2019; 3:04 p.m. – A business located in the S6500 block of Moorland Rd. called to report being the victim of fraud/retail theft.
- 01/13/2019; 12:15 a.m. – A 49 year old Mukwonago resident was cited for operating a motor vehicle with a suspended driver's license near the intersection of Janesville Rd. and Pioneer Dr.

- 01/13/2019; 1:42 p.m. – Officers responded to a health care facility in the W18600 block of Janesville Rd. for the report of an uncontrollable 78 year old resident. Subject was counseled and remained at the facility.
- 01/13/2019; 3:11 p.m. – Officers responded to a recreational area in the S6600 block of Hardtke Dr. for the report of a 54 year old Muskego resident who had fallen through the ice on Little Muskego Lake while riding his bicycle. Upon officers' arrival, the subject was already on land and cycling home, presumably to warm up. No medical attention was requested.
- 01/13/2019; 3:21 p.m. – A 58 year old Janesville resident was cited for not wearing her seatbelt near the intersection of Janesville Rd. and Racine Ave. **WEAR THEM, PEOPLE! THEY SAVE LIVES!** (She was not the only one cited this week).
- 01/14/2019; 9:07 a.m. – A 58 year old Milwaukee resident was cited for operating a motor vehicle with a revoked driver's license near the intersection of STH36 and Muskego Dam Dr.
- 01/14/2019; 1:10 p.m. – A U/I complainant called the department requesting officers respond to a park located in the S6500 block of Agate Dr. due to two subjects bringing four dogs to the park and allowing them to run freely. Upon officers' arrival, the subjects, two and four legged, were no

- longer on scene. This is a no-no. Please refer to our list of municipal ordinances listed on the city website, or simply read the new signage regarding pets in city parks, located at each city park.
- 01/14/2019; 9:53 p.m. – A 27 year old Franklin resident was cited for operating a motor vehicle with suspended driver's license (OAS) near the intersection of Janesville Rd. and Kipling Dr.
  - 01/15/2019; 4:02 a.m. – A 49 year old Muskego resident was cited for a winter parking ordinance violation in the W12800 block of Blue Heron Ln. (He was not the only one cited that morning). Check out and please subscribe to our **News Flash** located on the city website under the police department page in order to receive notifications and information regarding winter parking restrictions and more! <https://www.cityofmuskego.org/CivicAlerts.aspx?CID=9>
  - 01/15/2019; 5:43 a.m. – A 35 year old Milwaukee resident was cited for OAS in the W18600 block of Janesville Rd. He was also advised of his three active warrants through the Brown Deer Police Department. Officers were unable to arrest the subject due to geography restrictions on the warrant. You might want to get those taken care of, pal.
  - 01/15/2019; 8:36 a.m. – A U/I complainant called the department requesting officers respond to the intersection of Grove St. and Pleasant View Dr. for the report of a suspicious white utility van (you know the type) parked near a school bus stop for approximately one hour. Officers made contact with the occupants of the vehicle, carpenters, who were lost and awaiting the arrival of their supervisor. Word of wisdom: we understand some occupations require the use of a white, Ford Econoline, or something similar in appearance, however do yourself a favor and don't sit on the corner of an intersection in a residential area, and don't offer anyone candy...it's creepy.
  - 01/15/2019; 9:29 a.m. – A carpet installer was called in as a suspicious person in the S7800 block of Overlook Bay Rd. after entering the wrong garage door code multiple times. This was reported by a nearby neighbor.
  - 01/15/2019; 10:57 a.m. – A 21 year old Franklin resident operating a **Jaguar**, was cited for operating a motor vehicle with a revoked driver's license and suspended registration after failing to pay parking tickets and pass emissions testing. Priorities.
  - 01/15/2019; 12:22 p.m. – The manager of a business located in the S7800 block of Racine Ave. called to report a patron tricked an employee into giving back more than correct change during a transaction. Unfortunately, crime did pay in this instance, at least until we are able to catch the persuasive pilferer.
  - 01/15/2019; 1:33 p.m. – Detectives responded to a business in the W19200 block of Apollo Dr. after receiving complaints that an employee may or may not be placing cameras in the bathrooms. Luckily, the complaint was unfounded, but seriously, does privacy exist anymore?
  - 01/15/2019; 3:30 p.m. – A 24 year old Muskego resident received a citation for starting a used car lot in his front yard (it was a green-up violation, but there was 4 vehicles!). He was also cited for yard waste. I know what he'll be doing this weekend along with shoveling snow.
  - 01/16/2019; 2:36 a.m. – A 25 year old Hales Corners resident called the department to report that her vehicle was struck in the parking lot of a business in the W18800 block of Janesville Rd. Stay tuned.
  - 01/16/2019; 6:52 a.m. – Officers provided an escort to school for a juvenile residing in the S7200 block of Hillside Dr. after his mother called and stated the youth would not go. This is not a common practice, so we encourage parents to resolve these matters on their own, however every once in a while we can paint the squad cars yellow.
  - 01/16/2019; 7:15 a.m. – Officers responded to the intersection of Woods Rd. and Bendingbrae Dr. for the report of a single vehicle accident. Vehicle occupants (2) were transported to area hospitals for injuries sustained. Please refer to the associated press release for further details.
  - 01/16/2019; 9:15 a.m. – An 81 year old resident of the S8900 block of North Cape Rd. reported his vehicle stolen. The investigation is continuing. **LOCK YOUR VEHICLES!!!**

  - 01/16/2019; 3:37 p.m. – A 52 year old Milwaukee resident showed up to the Muskego Municipal Court intoxicated (I'm not allowed to make this up). Officers responded and tested the subject for levels of intoxication. The subject was found to be borderline and arrangements for transportation were made.

- 01/16/2019; 4:21 p.m. – A 45 year old resident of the W14900 block of Cornell Cir. reported the tires on his vehicles were slashed. We know who the guilty party is (a family member of all people), it's only a matter of time before we find him.
- 01/16/2019; 10:27 p.m. – A 17 year old Waterford resident reported being followed and having items thrown at his vehicle near the intersection of Crowbar Dr. and Kelsey Dr. We have a suspect, a frequent flyer in that neck of the woods, and the investigation is continuing.
- 01/17/2019; 1:45 a.m. – A 21 year old Elkhorn resident was arrested for OWI – 1<sup>st</sup> Offense near the intersection of Martin Dr. and Jewel Crest Dr. At the ripe old age of 21, one privilege was earned, abused, and now another has been taken away.
- 01/17/2019; 7:28 a.m. – A 41 year old resident of the S8000 block of North Cape Rd. reported having his credit card stolen.
- 01/17/2019; 9:12 a.m. – An employee of one bus company called to report their bus was struck by another bus for a different (daycare) company in the S6400 block of Hillendale Dr. A 25 year old Milwaukee resident was cited for hit and run. I've heard that some county fairs begin accepting bus demolition derby applications in June, we might have a candidate!
- 01/17/2019; 10:13 a.m. – A resident in the W13000 block of Cambridge Ct. reported being the latest recipient of the attempted "Your grandchild was found guilty of OWI and causing an accident, you must now send \$x,xxx.xx for their bail money!" scam. **IT IS A SCAM!!!** You are smarter than this, we know it, so don't fall for it!
- 01/17/2019; 10:58 a.m. – (reference the "stay tuned" above) An officer reported locating a hit and run suspect vehicle in the parking lot of a business located in the S7800 block of Racine Ave. Contact was made with the operator, a 29 year old Milwaukee resident. Investigation is on-going (Got ya!).
- 01/17/2019; 2:43 p.m. – A 71 year old resident in the S10500 block of Victoria Dr. reported hearing scratching noises outside their window between 4-5 a.m. The mysterious window scratcher left footprints beneath and scratches on the window. I know, a lot of creepy people this week.

Should we tell them it's just a game? Come now, save your children the embarrassment or stay home.
- 01/17/2019; 7:54 p.m. – A 59 year old resident near the intersection of Keiser Ln. and Kelsey Dr. requested additional police presence due to suspected drug activity in the area.

If you have information on these or any other incidents, contact the Muskego Police Department at (262)679-4130.

\*\*\*BE AWARE \*\*\*

Spectrum Cable representatives are making door to door service calls at unusually late hours. They have permits, so no need to be alarmed or contact police. Feel free to channel your inner Jim Carrey and reference The Cable Guy during your interaction. I learned the facts of life - from watching "The Facts of Life." (Say it with a lisp).

\*\*\*JUST SO YOU KNOW\*\*\*

There are areas on roads, streets, etc. covered in yellow, diagonal lines. These are called Safety Zones. **DO NOT DRIVE IN THEM!!!** Or do it, get caught, and receive a lovely piece of paper indicating you owe the City of Muskego money because you didn't listen to me and violated adopted WI State Statute [346.12](#). The choice is yours.

\*\*\*SNOOOOOOOOOOOWWW!!!\*\*\*

The white fluffy stuff has already started coming down. Now is the time to drive like your grandparents (No offense grandma, I love you). Also, be aware of winter parking restrictions and avoid being ticketed, towed, or having your vehicle turned into a Chevrolet Igloo by our crafty plow drivers. To observe said restrictions, check out and subscribe to our News Flash located on the city website:

Until next time, stay safe, stay warm, and stay classy.
