

## CITY OF MUSKEGO POLICE DEPARTMENT NEIGHBORHOOD WATCH PROGRAM

April 26<sup>th</sup>, 2019 – May 2<sup>nd</sup>, 2019

Happy belated May Day, Muskego! The sun is out, the birds are chirping, and Jeopardy James just keeps on winning! Universities should start offering all around degree programs geared towards Jeopardy contestant preparation; maybe with an emphasis on probabilities and statistics so they know how to wager like the guy breaking the famed game show. Your history lesson for this week: on this day in history, Washington D.C. became a city in 1802 and Joltin' Joe Dimaggio made his MLB debut back in 1936. The Yankee Clipper was most known for his 56 game hitting streak and marrying famed actress Marilyn Monroe. He hit 361 homeruns, 1,537 RBIs and had a lifetime batting average of .325. Enough Yankee talk though, let's check out Muskego's stats for the past week!

### April 26<sup>th</sup>:

- 9:11 a.m. – Officers and Tess Corners Fire Department responded to Mill Valley Elementary School for the report of a smoke alarm sounding. Prior to arrival, the alarm company cancelled the alarm as it was triggered by someone cleaning near the sensor. Custodial staff doesn't always get the recognition it deserves, so a few lights and some sirens ought to suffice for a while.
- 9:29 a.m. – A 64 year old resident of the W20900 block of Field Dr. called the police department to report a turkey, with what he believed to be a broken back, in his yard. Officers responded and the complainant is now set for Thanksgiving Dinner 2019.
- 2:36 p.m. – Officers responded to a residence located in the S6600 block of Jewel Crest Dr. for the report of a damaged canoe. Apparently the 59 year old neighbor's "controlled" burn got a little out of control and singed the 86 year old complainant's canoe. The arsonist agreed to pay for the damages.
- 3:29 p.m. – A 19 year old resident of the W13200 block of Champions Dr. responded to the police department to report that while attempting to renew her driver's license, the DMV informed her that she would need an additional form of identification due to her personal information being flagged for fraudulent activity. Hi, welcome to the DMV. Thanks for waiting an obscene amount of time for me to tell you that you can't get what you came for and you'll have to return with more information and wait another obscene amount of time in order to obtain your new driver's license. See you next time.
- 7:11 p.m. – A 35 year old New Berlin resident reported smoke coming from a brush fire near the intersection of Tans Dr. and High Bluff Dr. Officers responded and extinguished the pile of leaves. Remember folks: You light it, you watch it!
- 7:48 p.m. – A 70 year old resident of the S7200 block of Quietwood Dr. called the police department to report an unknown subject had created a Craigslist add, listing their residence as a rental property, without their permission. The complainant stated her house was in fact for sale, not rent, but did not appreciate the added phone inquiries regarding the false listing.
- 8:27 p.m. – A 69 year old New Berlin resident was cited for operating a motor vehicle without a valid driver's license in the W14400 block of Tess Corners Dr.
- 10:06 p.m. – Officers responded to a residence located in the W18600 block of Agate Dr. due to receiving complaints for excessive noise. Contact was made at the residence, and the music was turned down.
- 10:50 p.m. – Officers responded back to the residence on Agate Dr., this time for loud music AND yelling. Contact was made with the same subject. Strike two!
- 11:24 p.m. – A 30 year old Mukwonago resident was arrested for OWI – 2<sup>nd</sup> Offense and possession of a controlled substance near the intersection of Poes Pl. and Sherwood Circle. He was also issued a citation for operating a motor vehicle with a suspended driver's license (OAS). Whole lotta nope going on there.

- 4:19 p.m. – 24 and 25 year old Milwaukee residents were arrested for retail theft at a business located in the S6500 block of Moorland Rd. The arrestees' children were transported to the police department via ambulance due to mom and dad not having the proper vehicle child restraint seats (and no, that's not what they were attempting to steal). At least someone enjoyed their ride.
- 8:11 p.m. – Contact was made with a 15 year old resident of the S8100 block of North Cape Rd. who was afraid to return home due to her father being upset about a new body piercing I'm guessing she didn't have permission to get.
