

CITY OF MUSKEGO POLICE DEPARTMENT NEIGHBORHOOD WATCH PROGRAM

August 2nd, 2019 – August 8th, 2019

Tonight's matchup marks the 199th meeting between the Green Bay Packers and Chicago Bears. The all-time record for the series is 97-95-6, in favor of God's team, a.k.a. the Packers. I have three words: Go Pack Go! As previously stated: due to the ever growing expanse between current time and the dates listed on the latest editions of the newsletter, I'm not going to jibber jab, but rather get right down to the list of calls. I know what you're thinking, but the statements on the green and gold were not jibber jab. That is important PSA worthy information and we want you to enjoy the game Wisconsinably, I mean responsibly. Just remember: you booze and cruise, you lose. Now, without further ado:

August 2nd:

- 12:33 a.m. – A 27 year old West Allis resident was cited for operating a motor vehicle with a suspended driver's license (OAS) following a traffic stop that occurred in the S7000 block of Hillendale Dr.
- 12:50 a.m. – Another West Allis resident was cited for OAS. I know their laws are the same as ours, so I'm not sure where the confusion lies. Our 26 year old citation receiver was pulled over near the intersection of Moorland Rd. and Janesville Rd.
- 2:27 a.m. – Officers stopped out with a suspicious vehicle at the Durham Boat Launch and made contact with a 32 year old Franklin resident who apparently admitted to his plans of dumping yard waste in Big Muskego Lake. Uh, no you won't, and now if we find any, we'll know exactly who did it. Go home and go to sleep. Emerald Park Landfill opens in less than 5 hours.
- 12:09 p.m. – A 33 year old Muskego resident called the police department to report being the victim of a hit and run vehicle accident that occurred in New Berlin. The victim was following the suspect vehicle while speaking to dispatchers. Officers responded and pulled over the suspect, a 68 year old Waukesha resident, in the parking lot of a business located in the W15500 block of Janesville Rd. The scene was then turned over to N.B.P.D. officers.
- 1:58 p.m. – A 23 year old Union Grove resident called the police department to report while walking in the W12500 block of Loomis Ct., she observed a subject exit a gray vehicle that then appeared to begin following her on foot. The subject later reentered the vehicle and left the area. Phone contact was made with the vehicle owner who advised the vehicle was at a nearby repair shop for mechanical issues and employees may have been test driving the SUV. Our complainant was re-contacted and advised that she was not being stalked.
- 3:36 p.m. – A 56 year old Muskego resident responded to the police department to report observing two juveniles smoking what she believed to be cannabis via her child's Instagram account. Investigation continuing.
- 5:06 p.m. – A 47 year old resident of the W17600 block of Wildwood Dr. was cited for not wearing his seatbelt and not possessing vehicle insurance. The traffic stop occurred near the intersection of Princeton Dr. and Sandalwood Dr. The vehicle was parked in the parking lot of a business located in the W15300 block of Janesville Rd. while the operator waited for someone to deliver and install the proper child seat for the child he had in his vehicle. He received a verbal warning for that violation. SMH.
- 8:57 p.m. – Officers busted up an underage drinking party that occurred east of the intersection at Ryan Dr. and North Cape Rd. 11 Juveniles in all were cited, their parents advised, and nights ruined.
- 9:09 p.m. – A 56 year old resident of the W17900 block of Riese Dr. responded to the police department with his wife to report being harassed by a 28 year old Racine resident. Investigation continuing.

August 3rd:

- 10:12 a.m. – A 43 year old resident of the W20300 block of Hillendale Dr. called the police department requesting assistance with removing her 18 year old son from her residence. Officers responded. Investigation revealed Sept. 1st had been the designated date for the son to move out, however due to on-going domestic issues, mom wanted him out sooner and he was refusing after she had made several requests. Son eventually agreed to leave for a few days and return with a police escort in order to obtain his property.
- 12:24 p.m. – A 35 year old Juneau, WI resident called the police department to report a 48 year old Milwaukee resident who held active warrants through M.P.D. for Physical Abuse of a Child and Intentional Causation of Bodily Harm was at Idle Isle per his Facebook posts. Officers responded and made contact with the warrant holder who was subsequently arrested and transported to Waukesha County Jail. Thanks for the tip!
- 1:25 p.m. – A 40 year old resident of the S6900 block of Parkland Dr. was cited for failing to install the proper child safety/restraint seat in his vehicle following a traffic stop that occurred near the intersection of Racine Ave. and Pioneer Dr. with his 4 year old child in the vehicle. Still SMH.
- 2:25 p.m. – A 2015, Chevrolet Malibu was repossessed from a residence located in the W15000 block of Cornell Circle.
- 5:09 p.m. – A U/I complainant called the police department to report (too) loud music coming from Idle Isle causing a disturbance. Officers responded and made contact with the loud music listeners who were kind enough to lower the volume.
- 5:23 p.m. – While at Idle Isle, Officers made contact with a 52 year old Racine resident who held an active warrant through the Glendale Police Department. She was transported to the Muskego Police Department where a friend later posted her bond in full.
- 5:57 p.m. – A 65 year old resident of the W18500 block of Jewel Crest Dr. called the police department to report she hit another vehicle with hers while backing out of her driveway. Oops! No injuries were reported.
- 7:41 p.m. – A 38 year old Milwaukee resident was cited for operating a motor vehicle without a valid driver's license following a traffic stop that occurred near the intersection of College Ave. and Moorland Rd. and was initiated due to an equipment violation.
- 11:48 p.m. – Officers responded to a residence located in the W14800 block of Dartmouth Circle for the report of a domestic altercation. Upon arrival, officers determined the altercation to be verbal in nature and assisted in the parties separating for the evening to allow cooler/sober heads to prevail.

August 4th:

- 12:08 a.m. – The Racine County Sheriff's Department transferred a noise complaint call, stemming from loud music being played in the S11000 block of Loomis Dr. Officers responded and made contact with the 39 year old homeowner who agreed to lower the volume levels.
- 7:25 a.m. – A 70 year old resident of the S6300 block of Regency Ct. called the police department for the second time in as many weeks to again complain about his 28 year old "live-in" girlfriend not returning the vehicle he gave her keys to at his specified times. We again informed the vehicle loaner of the civil nature of his complaint, as well as a few simple solutions to his problem. Officers obliged the complainant and made telephone contact with the girlfriend who stated she would be returning to the residence within the hour. Oh, good. 10-8.
- 8:32 a.m. – A U/I complainant called the police department to report a M/W subject sleeping on a bench near the playground at Idle Isle and appeared as though he had been there all night. He appeared that way because he had in fact been there all night. Officers responded and advised the regular of the complaint at which time he agreed to move and sit up near the pavilion.
- 11:38 a.m. – A 62 year old Milwaukee resident was cited for failing to pay the boat launch fee at Denoon Park.
- 3:59 p.m. – A 25 year old Milwaukee resident responded to the police department to report an unknown subject had opened multiple accounts through Verizon Wireless using his personal information, only to be referred to Milwaukee Police Department because he resides in their jurisdiction. Sorry there guy.

- 4:02 p.m. – A 55 year old resident of the W19000 block of Tans Dr. called the police department to report observing video surveillance of a subject attempting to gain entry into her home while she had been away. The suspect had not caused any damage, and after officers observed the video surveillance, they surmised that the suspect was possibly under the influence, as he appeared to be confused as to his whereabouts and may have mistaken the residence for someone else's. A neighborhood check was completed. Extra patrols of the residence were conducted. No further reports of similar happenings have been received.
- 5:55 p.m. – Multiple calls were received reference two adult male subjects yelling at one another outside of a residence located in the S7900 block of Audrey Ct. Officers responded and made contact with a 34 year old Big Bend resident and a 41 year old West Bend resident. The argument was deemed verbal as well as civil in nature. The Benders were counseled and told to be quiet.
- 6:21 p.m. – A 34 year old Milwaukee resident was cited for speeding, passing in a no passing zone, as well as following too closely at the conclusion of a traffic stop that occurred near the intersection of Durham Dr. and Pilgrim Dr. Where's the fire?! A wise man once said: "When running behind, you can't save time. You'll break the law and pay for the crime." And fall further behind I might add.
- 8:21 p.m. – A 19 year old resident of the S8100 block of Highland Park Dr. called the police department after returning home and finding "items that were not the way she had left them". Officers responded and cleared the residence with negative results. Nothing was reported as missing/stolen. All in order. Let's keep 'er movin'!
- 11:31 p.m. – A 16 year old resident of the W19500 block of Colonial Ct. called the police department to report hearing noises outside the back door to the residence and believed someone might be breaking in. Investigation revealed it was just big brother arriving home a little late from work.

August 5th:

- 12:36 a.m. – A 53 year old Wind Lake resident was arrested for OWI – 3rd Offense, following a traffic stop that occurred near the intersection of Racine Ave. and Kelsey Dr. Turns out, the 3rd time is NOT the charm.
- 2:16 a.m. – Another call from the 70 year old vehicle loaner on Regency Court wanting to report his NOT stolen Jeep as stolen. Officers responded none the less and counseled our woeful caller on his decision making. I'm no relationship expert, but you might be happier and certainly less stressed if you stopped associating with these 20-something year old live-in girlfriends you so lovingly referred to as "drug addicts" last week.
- 6:33 a.m. – A 34 year old resident of the S6800 block of Fennimore Lane responded to the police department to report being involved in a physical altercation with his wife, the night before, at approximately 11:00 p.m. Side note: don't wait, always call as soon as possible so we can get you the help you need as quickly as we can.
- 9:14 a.m. – Regency Court calling for a 3rd or 4th time, I've lost track. His vehicle had yet to be returned. Telephone contact was made with one of the involved female parties who indicated the complainant was now threatening her (because that is the best way to get what you want), however she would be returning the vehicle within the hour. Please do.
- 10:35 a.m. – The 36 year old suspect from our physical domestic altercation on Fennimore Lane responded to the police department, was arrested on domestic violence related battery charges, and released after bond was posted.
- 12:30 p.m. – Officers responded to the parking lot of a business located in the W17000 block of Janesville Rd. for the report of a two vehicle accident. The damage was under the reportable amount, however a 16 year old Wind Lake resident was cited for operating a motor vehicle hazardously.
- 12:33 p.m. – Let's go back to Regency Ct., shall we? Our vehicle loaner called the police department to report the 28 year old female party had returned the vehicle, however a "small" physical altercation had occurred during the exchange of keys. While officers were en route, the female party called the police department indicating she had locked herself in a bathroom at the residence out of fear of the male party. How about just locking yourself out of the residence all together? Upon arrival, officers stood by while the female party gathered her belongings and was escorted off the property. Our 70 year old vehicle loaner was directed to stop loaning his vehicle to

- his female friends from Milwaukee, because we are not going to retrieve it nor are we going to report it as stolen. Could this be the last we hear from Regency Ct.?
- 1:22 p.m. – A 61 year old resident of the S8000 block of Edward Ct. responded to the police department to report an unknown subject had hacked her iPad and was now searching for white supremacy and Nazi paraphernalia. Not even an attempt to steal identification material or banking information, you chose an anti-semitic, racist, and socialist movement to research. Please, get off our planet. Our victim was advised to back up her saved data, give the iPad a hard reset, then change her passwords.
 - 3:58 p.m. – A 62 year old resident of the S6800 block of Oakridge Lane responded to the police department to report receiving a letter from the New York Department of Finance indicating he had an unpaid parking ticket, which our complainant felt was suspicious considering he hadn't been to New York. Investigation revealed the ticket was most likely issued in error due to a license plate discrepancy. Our complainant was encouraged to call the New York Department of Finance to dispute the ticket. I've heard the economic state of New York isn't the greatest, but fictitious parking tickets?
 - 4:28 p.m. – A 60 year old resident of the S6900 block of Crabapple Ct. called the police department to report being on vacation with his juvenile daughter and believed his soon to be ex-wife would contact the police department to report their daughter as kidnapped out of spite.
 - 7:09 p.m. – A 47 year old resident of the W17200 block of Lake Dr. called the police department requesting officers check the welfare of his wife and children whom he believed to be at the library. Our caller stated his wife may be intoxicated and had driven their children to that location. Officers responded and made contact with all parties. The female subject was provided a ride home and the children were picked up by their father.
 - 7:31 p.m. – A U/I complainant called the police department to report a M/W subject walking near the intersection of Martin Dr. and Jewel Crest Dr. with his eyes closed and was concerned for the subject's wellbeing. Contact was made with the 52 year old sleepwalker who was provided a ride outside the city.
 - 8:15 p.m. – The soon to be ex-wife of the vacationer from Crabapple Ct. responded to the police department to report her soon to be ex-husband had taken their 18 month old daughter on vacation with him without her permission. Both parties were advised, as is customary, that custodial issues are and will most likely always be a civil matter.
 - 9:02 p.m. – A 42 year old resident of the W16500 block of Glen Cove Ct. responded to the police department to report his children were approached by a female subject in the W16000 block of Janesville Rd., who asked them if they needed a ride and inquired about the location of their home. The female subject was identified and officers made contact with the 58 year old Wind Lake resident who clarified she believed the children's dog they were walking to be in distress and simply wanted to ensure its safe arrival back home. All parties advised, 10-8.
 - 10:33 p.m. – Officers and the Tess Corners Fire Department responded to the W16400 block of Loomis Rd. for the report of electrical wires on fire. The scene was ultimately turned over to We Energies.
 - 11:48 p.m. – A 2013, Toyota Rav 4 was repossessed from a residence located in the S8400 block of Racine Ave.

August 6th:

- 8:25 a.m. – An employee of a business located in the W14500 block of Janesville Rd. called the police department to report a M/W subject had been consuming alcoholic beverages behind the business and was now inside the business, staring at her, making her feel uncomfortable. Officers responded and made contact with the subject who would only identify himself as “Mark”. Mark was requested not to return to the business and drink elsewhere at which time he left on foot without further incident. Stop being creepy, Mark.
- 10:23 a.m. – A transportation company out of Bartlett, IL was cited for an overweight trucking violation after their operator was pulled over near the intersection of S. Denoon Rd. and Crowbar Dr. \$2K later and you’re on your way!
- 10:48 a.m. – Another overweight trucking violation. This traffic stop occurred in the same location as the last. The company is located in Fort Atkinson and will be cutting a check for \$7,600.00. Ouch.
- 12:55 p.m. – They’re running rampant! A 59 year old Waterford resident was cited for an overweight trucking violation, same location. Fine amount: \$2,400.00.
- 1:59 p.m. – Our sleepwalker from the day before made his way back to the city. He was called in this time for approaching residences and asking for money and or rides, which prompted a 39 year old resident of the S7200 block of Lake Dr. to call the police department. Officers responded and made contact with the soliciting sleepwalker who was advised to desist his activities and refrain from approaching residences that belong to people he doesn’t know.
- 3:50-4:58 p.m. – Officers issued 5 failure to pay boat launch fee citations to patrons at Idle Isle refusing to read or abide by signs. Your choice.
- 3:56 p.m. – A U/I female complainant called the police department to report a M/W subject had approached her daughter and was attempting to talk to her while at Manchester Hill Park. While leaving the park, the complainant stated the subject began following them before eventually turning around and returning to the park. Officers responded to the park, however the M/W subject, with a scruffy beard, blonde hair, and wearing blue pants and a blue work shirt was not located. Officers checked with library staff who indicated observing the subject earlier in the day, but were unsure of his current whereabouts.
- 5:55 p.m. – A 36 year old Milwaukee resident was cited for OAS and possessing open intoxicants inside a vehicle following a traffic stop that occurred near the intersection of Moorland Rd. and Commerce Center Pkwy. You can’t do either of those things in Milwaukee either. I’ve heard some southern states allow open intoxicants while driving. Move there if you can’t wait until you get home.
- 6:32 p.m. – Mr. Sleepwalker was now hanging out at a private lake access point for homeowner’s association members only, the W17700 block of Muskego Dr. Officers escorted him back outside the city.
- 9:13 p.m. – A 34 year old resident of Genoa City was arrested for possession of a controlled substance, possession of drug paraphernalia, operating a motor vehicle with a revoked driver’s license, oh, and bail jumping, which means we learned nothing from our previous contact with law enforcement. The traffic stop occurred near the intersection of Racine Ave. and College Ave.
- 9:43 p.m. – A U/I complainant called the police department to report a suspicious vehicle parked at the library. Officers responded and made telephone contact with its registered owner, a Waukesha resident, who stated his daughter was operating the vehicle and he did not know why it was parked there. Either dad was left out of the loop or someone is somewhere they shouldn’t be.

August 7th:

- 2:17 a.m. – A 16 year old Hales Corners resident was escorted home after officers initiated a traffic stop on her vehicle for a speeding violation that occurred near the intersection of Janesville Rd. and Poes Place. She was given a verbal warning for the speeding and curfew violations, but issued a citation for violating the restrictions of her probationary license.
- 7:15 a.m. – Turns out our sleepwalker is one in the same as our alcohol consumer that likes hanging out behind the business in the W14500 block of Janesville Rd. The business employee that had previously called and complained (August 6th, 8:25 a.m.) called back and advised sleepwalker was now laying down and sleeping behind the business, seemingly passed out from intoxication. Officers and Tess Corners Fire Department paramedics responded and assessed the former New Berlin resident. He was advised not to return to the business lest he wish to be cited for trespassing and was later transported to a nearby medical facility for treatment. I think he's competing with Regency Ct. for most police contacts in a two week span.
- 9:21 a.m. – Officers made contact with a 32 year old Big Bend resident while in the parking lot of a business located in the S7800 block of Racine Ave. Investigation revealed she held an active warrant through the Waukesha County Sheriff's Department for OWI – 3rd Offense. The subject was arrested and later transported to Waukesha County Jail.
- 12:08 p.m. – A 1996, Lincoln Mark VIII was repossessed from a residence located in the S8400 block of Racine Ave.
- 2:21 p.m. – A 46 year old resident of the W17600 block of Woods Rd. responded to the police department to report being physically assaulted by a male subject of the same address earlier that morning. Investigation continuing.
- 2:43 p.m. – A 38 year old resident of the S7100 block of Meadow Dr. responded to the police department to report an 18 year old resident of the S9600 block of Jimmy Demaret Dr. had thrown the complainant's son's phone at the complainant while they were on Little Muskego Lake and the phone landed in the lake. When the complainant requested the phone thrower pay for the drowned phone, the phone thrower became upset and began threatening the complainant. Parties were advised of the case's civil nature and to desist contact with one another.
- 5:40 p.m. – A 34 year old Milwaukee resident was cited for operating a motor vehicle without a valid driver's license following a traffic stop that occurred near the intersection of Janesville Rd. and Kipling Dr.
- 9:38 p.m. – A 42 year old resident of the S6700 block of Fennimore Lane called the police department to report being involved in a hit and run vehicular accident near the intersection of Janesville Rd. and Kipling Dr. Investigation continuing.

August 8th:

- 12:39 a.m. – Deputies from the Dodge County Sheriff's Department called and stated they had in their custody, the male suspect wanted in connection with the domestic incident on Woods Rd. from the previous day (August 7th, 2:21 p.m.). Muskego officers responded and took over custody of the arrestee. Gotcha!
- 2:11 a.m. – A 42 year old Wind Lake resident called the police department to report an intoxicated pedestrian in the parking lot of a business located in the W17000 block of Janesville Rd. Officers responded and made contact with the 52 year old Waterford resident who was provided a ride outside the city.
- 6:02 a.m. – A 52 year old resident of the W17300 block of Lake Dr. called the police department to report our sleepwalker was now sleeping under his back porch. The 52 year old former resident of New Berlin was arrested for bail jumping and transported to Waukesha County Jail. Seriously though, that was approximately a half dozen chances and now you're definitely beating Regency Ct.
- 1:07 p.m. – A U/I complainant called the police department to report a suspicious M/W (well, we know it's not our sleepwalker) was walking through the landscaping and loitering at a business located in the S6600 block of Tess Corners Dr. The complainant was also fearful the subject had an edged weapon. Upon officers' arrival, the subject was seen entering another business located in the W14500 block of Janesville Rd. Officers made contact with the 46 year old resident of the W12900 block of Larkspur Rd. who indicated being on a walk and stopping to use the restroom.

- He refused to identify himself, even though we've had previous contacts with him. The business owner had no problems with the subject frequenting the business. All units are 10-8.
- 4:17 p.m. – A 40 year old resident of the W20400 block of Bosch Dr. forgot to pay for her gasoline at a business located in the W188000 block of Janesville Rd. Officers responded after employees called the police department to report the incident.
 - 5:19 p.m. – An employee of a business located in the S7800 block of Racine Ave. called the police department to report an unruly subject in the parking lot of the business. The subject was described as a M/W, wearing a black hat, black shirt, and no shoes and was believed to be intoxicated. Officers responded and made contact with the shoeless wonder, identified as a 29 year old Wind Lake resident who was in fact intoxicated. Shoeless Joe was advised to leave the business, not by driving, lest he desire to be cited for trespassing.
 - 10:25 p.m. – A 16 year old resident of the 2600 block of Muskego Dam Dr. was cited for possession of alcohol and nicotine products following a traffic stop that occurred near the intersection of Pioneer Dr. and Racine Ave.

During the past week, the following traffic (road and water) contacts were made:

I'd like to refer to Charlie Berens' sign off for this edition of the newsletter, however I probably wouldn't get my supervisor's approval. So, let's just say a prayer to St. Brett and as always, thanks for reading! You stay classy, Muskego!
