

CITY OF MUSKEGO POLICE DEPARTMENT NEIGHBORHOOD WATCH PROGRAM

September 27th, 2019 – October 3rd, 2019

Happy Tuesday, Muskego! I hope this edition of the newsletter finds you well on this frigid, winter evening. Oh wait, it's still technically fall. Wisconsin just doesn't play by the rules. At least we gained an extra hour of sleep on Sunday, although pets are not privy to this phenomena that was adopted during the First World War, a time that saw doses of morphine and opium as a remedy to sooth fussy children. Just saying, it might be time to rethink this biannual occurrence and my dog didn't get the memo, so he still wanted to go out and be fed at his usual time. Seasonal depression disorder is in fact a real thing, so I will keep my hour of evening daylight, thank you very much. Sorry, rant over. Yesterday was National Candy Day. So, if you didn't partake, it should be relatively easy to accomplish considering I had a total of 4 trick or treaters last Thursday. Oh well, grab something sweet while you read and enjoy.

September 27th:

- 12:44 a.m. – A 16 year old resident of the 8900 block of Nelson Court was cited for operating a motor vehicle without a valid driver's license. The passenger of the vehicle possessed an instructional permit only. The vehicle was secured on scene and both subjects were transported to the passenger's residence and released to parents. Thought you'd go on a little joy ride, did ya? WRONG!
- 7:07 a.m. – Officers responded to the intersection of Ryan Dr. and North Cape Rd. for the report of a vehicle vs. tire accident. A tire fell off a vehicle being operated by a 26 year old Kiel resident. The tire then struck a vehicle being operated by a 17 year old Franklin resident. It might have been a Goodyear, but not a good day.
- 7:56 a.m. – An 18 year old resident of the S7700 block of Stags Leap Ct. was cited for a parking violation at the high school. Read. The. Signs.
- 8:25 a.m. – Officers responded to the S7800 block of Racine Ave. for the report of a 2 vehicle accident. No injuries were reported. A 57 year old Wind Lake resident was cited for operating a motor vehicle hazardously.
- 11:19 a.m. – The asset protection manager of a business located in the W17000 block of Janesville Rd. called the police department to report a theft of alcohol that had occurred one day prior. Better late than never, I guess. Investigation continuing.
- 2:21 p.m. – An employee of a business located in the S6500 block of Moorland Rd. called the police department to report two subjects had stolen a shopping cart full of liquor approximately 1 hour prior to calling. Runnin' a little slow this Friday. Investigation continuing.
- 3:07 p.m. – A 45 year old resident of the S7500 block of Quietwood Circle contacted the police department to report a neighbor was consistently watching her daughter get on and off the school bus on a daily basis. Contact was made with the neighbor, a 58 year old resident of the same block, who of course denied the allegations. All parties were advised.
- 5:38 p.m. – Officers responded to the intersection of College Ave. and Janesville Rd. for the report of a 2 vehicle accident. No injuries were reported. A 75 year old resident of the W13000 block of Bristlecone Lane was cited for operating a motor vehicle hazardously. Holy accidents, Batman!
- 8:06 p.m. – A 61 year old Milwaukee resident apparently can't read signs either, as he was also cited for a parking violation at the high school.

September 28th:

- 12:27 a.m. – K9 Officer Sirius responded to the scene of a traffic stop in New Berlin to assist our brother and sisters in blue to the north.
- 8:54 a.m. – The Greenfield Police Department called to report having two Milwaukee residents in custody they believed were involved in multiple retail thefts that occurred in our city. Officers responded to interview the subjects. A suspect vehicle was also located. Investigation continuing.
- 11:56 a.m. – Officers responded to the intersection of Kelsey Dr. and Janis Lane for the report of a 2 vehicle accident. No injuries were reported. A crash report was completed.
- 12:58 p.m. – A 32 year old Racine resident was cited for OAS following a traffic stop that occurred near the intersection of Woods Rd. and Clearbrook Dr.
- 2:09 p.m. – A 51 year old resident of the S8000 block of Pioneer Dr. responded to the police department to report his ex-wife was on vacation, their two daughters were staying at ex-wife's parents' house, and grandma and grandpa were refusing to relinquish custody to our complainant. It was determined to be ex-wife's weekend for placement, so until it was dad's turn, daughters could stay with grandma and grandpa. All parties were advised of the civil nature of custody disputes.
- 3:03 p.m. – Two New Berlin residents were arrested on charges of retail theft that occurred in our city after receiving a call from Mukwonago Police Department informing us the two were in their custody. Turns out our criminals weren't that stealthy, as Brookfield and Pewaukee wanted to talk to them too for similar complaints. Ya done messed up!
- 5:36 p.m. – Officers responded to the intersection of Janesville Rd. and Crowbar Dr. for the report of a 2 vehicle accident. Minor injuries were reported. A 39 year old New Berlin resident was cited for failure to yield.
- 7:39 p.m. – A concerned U/I caller reported flames at the Advanced Disposal Landfill. You mean the methane run-off flame that's burning 24/7, 365? 10-8.
- 9:01 p.m. – A 25 year old resident of the S6600 block of Muskego Dr. was advised of park hours at Moorland Skate Park. "Closing Time. You don't have to go home, but you can't...stay...here."
- 11:27 p.m. - A 55 year old resident of the S7700 block of Prospect Dr. called the police department to report a group of yoots talking loudly outside at a neighboring residence. Officers responded and told the yoots to pipe down or go inside.

September 29th:

- 12:08 a.m. – A 36 year old South Milwaukee resident was cited for operating a motor vehicle with a revoked driver's license (OAR) following a traffic stop that occurred near the intersection of US 45 and Loomis Dr. You could have let your passenger drive. You know, the one with a valid license. Congratulations though and have fun in court convincing the judge you didn't do wrong.
- 1:34 a.m. – A 39 year old Wind Lake resident was arrested for OWI – 1st Offense following a traffic stop that occurred near the intersection of STH 36 and Thode Dr. The fact his 16 year old daughter was in the car will only add to the fine amount. Great role model.
- 2:15 a.m. – A 40 year old resident of the S6600 block of Muskego Dr. was arrested for OWI – 1st Offense after officers made contact with him at his residence. Callers were prompted to contact police after our driver, who was described as intoxicated and belligerent, crashed into multiple parked vehicles while leaving the lot of an establishment not too far from his home on Lannon Dr. It's a miracle he made it that far. Don't drink and drive, even if you are just "right around the corner".
- 8:14 a.m. – An employee of a business located in the W18800 block of Janesville Rd. called the police department to report a suspicious vehicle that had been parked in the lot for an extensive period of time, and the occupants were not responding to employee prompts. Officers responded and make contact with a 29 year old Wales resident, who was subsequently arrested for possession of drug paraphernalia and a warrant through the Germantown Police Department for retail theft. Always appreciative of the wanted criminals drawing attention to themselves.
- 5:04 p.m. – A 46 year old South Milwaukee resident was cited for OAS following a traffic stop that occurred near the intersection of Moorland Rd. and Commerce Center Parkway. Her passenger, a 22 year old Brookfield resident, held a valid warrant through the Oak Creek Police

- Department, bond amount: a whopping \$10. He was taken into custody until bond was posted, at which time the sole occupant of the vehicle who hadn't done anything wrong drove away.
- 9:47 p.m. – The owner of a business located in the W16300 block of Loomis Rd. called the police department to report unknown subjects were entering vehicles on his property, however no thefts had occurred. An extra patrol was placed on the business and the complainant was advised to secure all vehicles.

September 30th:

- 12:54 a.m. – A 17 year old Mequon resident was cited for violating the restrictions on his probationary driver's license, specifically the one about not driving between midnight and 5 a.m. The traffic stop occurred near the intersection of Keiser Lane and Kelsey Dr. Learning the hard way.
- 1:47 a.m. – A 26 year old resident of the S7600 block of Gregory Dr. was requested to turn off his car alarm after it seemingly woke up neighbors, but not him, who were prompted to call the police department after approximately 15 minutes of incessant honking.
- 11:12 a.m. – Officers responded to the parking lot of a business located in the W16100 block of College Ave. for the report of a 2 vehicle fender bender. The damage to both vehicles was under the required amount for reportable accidents, however a 28 year old West Allis resident was advised not to drive after her license status was determined to be revoked. Hard to get in accidents when you follow the law and DON'T DRIVE!
- 12:47 p.m. – A 63 year old resident of the W16000 block of Susan Ct. called the police department to report two subjects had offered to give him a free bottle of Tide laundry detergent IF he allowed them to enter his residence. Yeah, I'll pass. Contact was made with the subjects, 33 and 37 years of age, one from Brookfield, the other Sheboygan. Surprisingly they did have a peddler's permit, although I'm not sure why it was granted considering they were attempting to peddle one of the most commonly bought items at grocery stores across America. Just go home.
- 1:02 p.m. – A 57 year old resident of the S10600 block of Crowbar Dr. called the police department to report receiving a phone call from a roofing company claiming to be at his residence, ready to assess his roof. Our caller felt this was suspicious due to not having asked for a roof assessment. Officers responded to his residence only to find no one there. The call was determined to be a scam. Unsure what the catch is at this time.
- 1:56 p.m. – Ruts were reportedly left in the grassy area adjacent to the parking lot at Engel Conservancy by an unknown vehicle. It's been wet out there, so let's stay off the grass and keep our parks in enjoyable condition for all.
- 3:03 p.m. – In the previous edition of the newsletter, officers had responded to a residence located in the S7300 block of Parkland Dr. multiple times for the report of an intoxicated 56 year old resident who was continually causing a disturbance and was eventually arrested on disorderly conduct charges. Well, officers were called yet again by the female resident due to Mr. Disorderly passing out in the driveway as a result of his inability to stay off the bottle. He was arrested on bail jumping charges and transported back to WCJ to dry out a second time.
- 3:09 p.m. – A 66 year old resident of the W20000 block of Adrian Dr. responded to the police department to report her daughter was being harassed by a 59 year old Genoa City resident. The suspect was contacted and advised to desist from speaking with our complainant's daughter and our complainant was provided instructions on how to obtain a restraining order.
- 5:22 p.m. – A 93 year old resident of the S7400 block of Bellview Dr. called the police department to report receiving a suspicious piece of mail in her mailbox. Officers responded and determined the mail to be a newspaper clipping of a horoscope. Our complainant was left with the clipping to do with as she pleased.
- 9:10 p.m. – A 40 year old resident of the W13200 block of Champions Dr. called the police department to report observing two subjects using the slide at the park in Champions Village for as Luke Bryan would say, "*knockin' boots*". That is not the intended use of the slide by the way. Our female party was last observed on foot heading towards Stonebridge Way, and our Don Juan left in a 4-door sedan. Our witness claimed to possess video footage substantiating her claims, however our slide users could not be identified nor could their exact actions, although it's safe to say the slide would feel violated either way.

- 11:22 p.m. – A 46 year old Greenfield resident was taken into custody for a warrant he held through the Greendale Police Department for failing to pay the money he owed for a seat belt ticket. The arrest occurred following a traffic stop in the W19000 block of Janesville Rd. Our arrestee was released after he posted the \$30.00 bond.

October 1st:

- 12:47 a.m. – A 42 year old Big Bend resident was cited for OAS and advised not to drive following a traffic stop that occurred near the intersection of Racine Ave. and Sunset Dr. Turns out both of his passengers had revoked driver's licenses. Guess we should have stayed in considering we don't know how to drive safely.
- 9:47 a.m. – A 33 year old Menomonee Falls resident was cited for OAS and advised not to drive following a traffic stop that occurred near the intersection of STH 36 and Champions Dr.
- 10:15 a.m. – An 82 year old resident of the W13700 block of Hardwicke Place responded to the police department to report being the latest victim of the "Grandma, please help me! I was involved in a car accident, send \$5,000.00 to New York to get me out of this mess" scam. Detectives are investigating the matter in an attempt to stop the FedEx package containing the funds. Locating these thieves associated with this scam has proven fruitless and infuriating.
- 10:45 a.m. – A 34 year old Big Bend resident was arrested for OWI – 2nd Offense after being called in as an intoxicated pedestrian by an employee of a business located in the W14300 block of College Ave. Our caller described the arrestee as "out of it", and after viewing business video surveillance, our culprit could be seen having great difficulty parking his vehicle, driving in the grass prior to entering the business. It's a miracle he made it that far. I'll go ahead and say you shouldn't be driving let alone looking at power tools, pal.
- 4:31 p.m. – A 15 year old resident of the S7400 block of Racine Ave. was advised he was no longer allowed at a business located in the S7800 block of Racine Ave. after officers responded due to receiving complaints of our suspect using profane language in front of small children and refusing to leave. This was not our first contact with the unruly juvenile and unfortunately won't be the last.
- 5:09 p.m. – An employee of a business located in the W17800 block of Janesville Rd. called the police department to report the theft of gasoline in the amount of \$26.00. Business staff believed the theft to be a payment error and wished to report the incident for informational purposes only after the suspect and vehicle could not be identified.
- 6:12 p.m. – A 60 year old resident of the S7000 block of Hale Park Dr. was requested to turn the volume down after we received complaints from a U/I caller.
- 8:53 p.m. – Staff at a health care facility located in the W18600 block of Janesville Rd. called to report one of their residents as missing. Officers responded and located the 62 year old...in the facility (insert eye roll here).

October 2nd:

- 5:09 a.m. – A 47 year old Waukesha resident was cited for failing to yield following a traffic stop that occurred near the intersection of College Ave. and Moorland Rd.
- 8:57 a.m. – Officers responded to the intersection of Janesville Rd. and Park Dr. for the report of a 2 vehicle accident. Minor injuries were reported. A crash report was completed.
- 9:42 a.m. – An 88 year old resident of the W14000 block of Woods Rd. called the police department to report a bothersome noise he believed was coming from the outside of his residence and had previously reported the same such incident one day prior. Officers responded and investigation revealed our caller may have been experiencing hearing aid malfunctions, however his sump pump and air conditioners were believed to be a possible source for the racket.
- 12:53 p.m. – An employee of a business located in the W15300 block of Janesville Rd. called the police department to report two subjects ran out of the store with approximately \$2,500.00 worth of merchandise back on September 23rd and did not pay. Our suspects were described as two African American females that left the area in a black sedan bearing Illinois registration plates. Investigation continuing.
- 2:11 p.m. – An employee of a business located in the S7800 block of Racine Ave. called the police department to report believing the suspects from a retail theft that had occurred on September 26th

- were two and the same as the suspects from a retail theft that has occurred at a different business in the city one day later. Officers responded and confirmed the caller's beliefs. Investigation continuing.
- 3:50 p.m. – Officers responded to the intersection of Tess Corners Dr. and College Ave. for the report of a 2 vehicle accident. One subject was transported to an area hospital for non-life threatening injuries. A 24 year old Waukesha resident was cited for failing to yield while making a left turn.
 - 4:42 p.m. – Officers responded to the intersection of Woods Rd. and Racine Ave. for the report of another 2 vehicle accident. No injuries were reported. A 29 year old New Berlin resident was cited for operating a motor vehicle hazardously.
 - 10:22 p.m. – A 26 year old resident of the S6900 block of Southern Dr. was cited for OAS following a traffic stop that occurred near the intersection of Janesville Rd. and Princeton Dr.

October 3rd:

- 6:39 a.m. – A 49 year old Waterford resident called the police department to report driving over an unknown object in the northbound lanes of Moorland Rd., north of Janesville Rd. Our caller further reported the gas line of his vehicle had been disconnected during the incident. Investigation revealed the object in question to be two large pieces of concrete that had become dislodged from the roadway, creating a rather large pothole. Waukesha County Highway Department was contacted and responded to remedy the obstruction and a tow removed our caller's vehicle from the scene. Sounds like a bad State Farm commercial. Another victim of the Moorland Meteorite!
- 8:37 a.m. – A 17 year old Waterford resident was taken into custody at the high school per the request of West Allis Police Department regarding an investigation in their city. We were happy to oblige.
- 12:04 p.m. – A 43 year old resident of the W17800 block of Edgewater Ct. was cited for OAR following a traffic stop that was initiated due to a speeding violation for which she was also cited. The traffic stop occurred near the intersection of Woods Rd. and Parkland Dr. There's a reason you're not supposed to be driving.
- 1:23 p.m. – A Milwaukee area business was cited to the tune of \$4,288.30 after their operator was pulled over for an overweight truck violation that occurred near the intersection of North Cape Rd. and Durham Dr. That might sting a little.
- 4:22 p.m. – A 49 year old resident of the W16000 block of Linda Ct. called the police department to report having sold a vehicle in July of 2019, however was receiving parking citations for the vehicle via mail from the Milwaukee County Sheriff's Department. Our caller was advised to contact Milwaukee County (best of luck) to dispute the citations as the vehicle did in fact list as being sold.
- 5:12 p.m. – Officers responded to the intersection of Janesville Rd. and College Ave. for the report of a 2 vehicle accident. Minor injuries were reported. One operator received a citation for following too closely while the other received a citation for inattentive driving. Bad combination.
- 7:21 p.m. – A 17 year old resident of the S7200 block of Parkland Dr. was taken into custody and cited for criminal damage to property. Our arrestee originally tried to report someone had damaged his tires, however the truth was revealed after our complainant called to report an unknown vehicle had driven into his yard, leaving ruts and tearing up grass. Apparently our arrestee also ran over a few wooden boards with nails in them, accounting for the damage to his tires. Karma?
- 8:09 p.m. – A 72 year old resident of the S7000 block of Southern Dr. responded to the police department to report being the victim of fraud. Our complainant indicated providing personal information and \$3,000.00 to a subject posing as her sister-in-law. Investigation continuing.
- 11:03 p.m. – A 28 year old Hales Corners resident was arrested for OWI – 2nd Offense as well as possession of devil's lettuce and lettuce paraphernalia. The traffic stop was initiated due to our genius operating a motor vehicle with a revoked driver's license outside his occupational hours. So, if we had followed the rules given to us about not driving, we never would have gotten pulled over, arrested, etc. Baffling. The arrest occurred near the intersection of College Ave. and Tess Corners Dr.
