**TO ALL PEER PERMIT GRANTEES
FOR CONSUMPTION OF FERMENTED MALT BEVERAGES
IN CITY OF MUSKEGO PARKS**

You have been granted a beer permit to consume fermented malt beverages in the City of Muskego parks as requested. Because of recent Court decisions in Wisconsin dealing with the potential liability your organization faces when you serve beer, the following checklist is furnished to you in hopes that it will assist you in protecting your group from liability exposure.

PLEASE READ AND FOLLOW THESE RECOMMENDATIONS:

1. Seek advice from your organization's attorney on the liability involved in dispensing beer.
2. Incorporate your organization as a non-profit corporation under Chapter 181, Wis. Stats. to isolate your members from liability.
3. Obtain the best liability insurance your organization can afford. Be sure it covers liquor-related liability.
4. Make sure all persons who are consuming beer are very familiar with Wisconsin liquor laws. Identify youngsters and persons who should not be consuming fermented malt beverages under the liquor laws.
5. Check with your own homeowners insurance company or your liability insurer as to whether you are personally covered for such a happening.
6. **WARNING:** Even if you follow all of these recommendations and you are the person who furnished a beer to an under-age person or an intoxicated person, you personally could still be liable.
7. The issuance of this permit does not allow for the sale of beer. If the organization intends to sell beer, a license must be obtained from the City Clerk-Treasurer's office, City of Muskego.
